Open House at Chesterton Festival

Open House is a creative collaboration between Kettle's Yard and communities in North Cambridge. Isabella Martin is the Open House Artist in Residence, working across North Cambridge throughout 2016.

Isabella will be collecting stories from people across the north of the city to find out about our area as well as researching Kettle's Yard. She will create playful outdoor artworks using a diverse range of materials in collaboration with people that respond to our relationship with our local landscape.

Isabella and the Open House team from Kettle's Yard will be at the Chesterton Festival on Saturday 18 June on Pye's Rec and Friday 24 June at Brown's Field running free creative activities and exploring map making. Please come and join us and share your stories of where you live.

St Andrew's Church

St Andrew's had its Annual Parochial Church Meeting on 17 April. You can read our annual report on the church website (www.standrews-chesterton.org). We were pleased to note that numbers were up last year: attendance at Sunday services (both adults and children), baptisms, weddings and - sadly - funerals. Our income was well up too, thanks to the generosity of those who contribute either regularly or occasionally. It was also individual givers who paid for nearly half of the 'Access for All' project (total cost: £120,000) that has transformed the entrance to the church and provided us with proper disabled facilities.

We also heard the results of a recent survey of the congregation concerning worship, our

pattern and style of services, their musical content and the inclusion (or otherwise) of children. The main conclusion is that most people are happy with the mix of services that we have, and are happily tolerant of a wide diversity (with some refreshing directness when we're not...). There were a number of requests for more modern-style music involving young people and our new youth worker, Maggie Tate, has helped to implement that already. And then the next week may be a Sung Eucharist with traditional Anglican choral music.

The young people have had their own Lent group this year, alongside the adults, and a group of them are preparing for (baptism and) Confirmation - with the Bishop of Huntingdon coming on Thursday 7 July.

Nick Moir, Vicar

St George's Church

We are continuing to enjoy opening the building for wider community use. Over the Easter weekend it was great to welcome people of all ages for our Easter trail and in May we will have had a Pentecost trail as well as holding our annual plant sale. Looking much further ahead, on the 10 September, we are pleased to host a showing of a film of the Battle of the Somme (on its hundredth anniversary) with live orchestral music accompaniment, organised by the

Cambridge Film Trust and the Cambridge Concert Orchestra.

It is exciting to see the church continue to grow in its use as a recording venue and we look forward to developing partnerships with many more sections of the community in the future. As I have said in previous editions, if you would like to be part of planning this future, please get in touch, we would love to hear from you!

News from Chesterton Community Association (CCA)

CCA and Old Chesterton Residents' Association will be teaming up again this year to share their annual meetings at St Andrew's Hall on Thursday 30 June 2016. Doors open from 7 with light refreshments. A guest speaker on a Chesterton topic at 7.30 will precede the formal business of each association. Full details will be posted on the CCA website www.mycca.org.uk.

We are working with Chesterton Eagles and the City Council on proposals to revamp the changing and toilet facilities on Chesterton Rec. to provide a club room for users that will also be bookable by the wider community. A report on options will be considered by the City Council this summer.

We are pleased that progress is being made on the redevelopment of Milton Road Library with public consultation on proposed plans earlier this year. A planning application is expected to be made shortly. The development is to be carried out by the County Council. CCA is looking for a strong involvement by the community in the new building to maximise its benefit to the public.

Chesterton Methodist Church

At Chesterton Methodist we are now looking at further feasibility plans for redeveloping and refurbishing the premises – we are up to options 5 & 6. If you have been following our progress over the last couple of years you will know that we had been working together with CamSight on some joint plans for the future but sadly it just hasn't been possible to see these plans through. We will consult the local community again soon and we hope you will be excited by our new ideas for ways forward, as we continue to plan to invest in the future.

The residents enjoyed a wonderful day relaxing day at Woburn Safari Park on Saturday 9 April.

Upcoming events are

On **Saturday 11 June** there will be a bring and share tea party to celebrate the Queen's 90th birthday at Hundred Houses Office 3pm. Everyone is welcome but bring a cake with you.

The **Annual Residents Association General Meeting** will be on **Thursday 16 June** at Freeman House, Inverness Close, and Starting at **7pm**. The new chief executive Nick Abbey is coming to introduce himself to the tenants.

On **Sunday 13 November**, we are organising a trip to Duxford War Museum to give residents a chance to observe the two-minute silence at the Museum. We will be leaving Chesterton at approximately **9am**. This is a free event but there will be a collection for the Poppy appeal.

On **Friday 25 November** there will be a Cheese and Wine event at Freeman House 7pm.

For further information please contact Mairin Lennon 07795575003 or hhresidentsassociation@hotmail.com

We need to hear from you! Cambridge City Council is on a fact finding mission with local residents, groups and organisations as part of a review of community provision across the city. The city Council currently operates 5 centres: **Meadows Community Centre, Buchan Street Neighbourhood Centre, Brown's Field Youth and Community Centre, Ross Street Community Centre, 82 Akeman Street Community Centre.** **We have already gathered views from people who use these centres but we also want to hear from people who don't.** If you don't go into our centres listed above we would like you tell us:-

- Why you have never been in?
- Is there anything that makes it difficult for you to use the centre at the moment?
- What might make you think about using the community centre in the future? e.g. more or better publicity about what goes on; any additional or improved facilities etc.

Don't forget to let us know which of the centres your comments relate to.

Please email your responses

to: jackie.hanson@cambridge.gov.uk to help us improve the services currently provided for communities. Every response counts! Thank you very much for your time.
