Weekly News Update, 21 October 2022

Junior Church Groups for 0–10 yrs meeting this Sunday: It's the first Sunday of half term so we will be running a mixed age group in anticipation of absences!

Youth resources for 11–18s in church this Sunday: as there's no Why Group this week during Junior Church, there are some extra resources for our young people (11-18s) at the back of church. There are things to draw, read, and fidget, all of which are designed to help our young people (and maybe some of our older people, if you'd like to try them?!) engage in worship during the service. Contact Hannah with any feedback!

Youth Group Christmas Party: would you like to help? Our Youth Group Christmas Party this year is at the Hall, on 4 December in the afternoon. We would love to show our young people how much they're loved and supported by the whole church, and so, without giving too much of the surprise away, this is a call for anyone who would like to help – with decor or gifts specifically – to get in touch with Hannah: hannah.fytche@standrews-chesterton.org

St Andrew's News

Providing milk for Crossways update: A huge thank you from the team running the Crossways project goes to St Andrew's Chesterton congregation for rising to the challenge you were set last week. The response so far has meant it is viable for us to proceed to support the request for milk supply and delivery for 5 months from 1st November. The financial support has still been flowing in very generously but there is still time to respond if you haven't already but intend to.

The delivery of the milk will be commercially undertaken by the Spar shop on Chesterton Road. It does mean costs are higher than first advertised, at least £15 per day and costs may even go up further if more milk is needed than expected and/or if costs increase over the winter, which is likely. But thank you for allowing this project to "fly". There has been a very humbling response. In case you missed the details last week:

The [Cambridge Churches Homeless Project](#) provides 24-hour emergency accommodation, at Crossways (just off Elizabeth Way), to those who would otherwise have no shelter during the winter months. St Andrew's has been offered an exciting opportunity to serve this project by providing the milk that they need to serve those staying with them. This project is right in the heart of our local community, and is an opportunity both to provide practical support and to witness to our faith.

Please contact **Patricia Abrey** for further information about registering to support the project as a volunteer or financial supporter (07761 478499 or pcc.secretary@standrews-chesterton.org or at 408 Milton Road CB4 1SU).

The next meeting of the **Book Club** will be on **Thursday 17th November**, at 8 pm, at the home of Ewa Allen (42 Hawthorn Way, Tel. 367351). We will be discussing *Excellent Women* by Barbara Pym, which was first published in the year Queen Elizabeth II acceded to the throne. New and occasional members are most welcome.

St Andrew's Fayre, Saturday 26th November, 1–4 pm: Our annual St Andrew's Fayre is back! Crafts, gifts and light refreshments will be on offer and the Fayre will be followed by a concert in Church at 4.30pm with students from Chesterton Community College. If you would like to have a stall at the Fayre please email me: rachel@standrews-hall.co.uk

Sunday Coffee Volunteers Needed: The social coffee time after Sunday service is valued by many. We would still like to have it weekly but we'll need more volunteers. Might you be willing to help? If you're not confident, we can match you up to assist someone who is. To sign up or ask questions, get in touch with Emily at emily.winslow.stark@gmail.com Thank you!
